

Refugee Integration Measures (FIM)

- FIM is a federal temporary employment market programm. It serves to offer asylum applicants sensible and community-oriented employment during the application process and to lead them into the German employment market using low-threshold opportunities.
- Beneficiaries who are over 18 years of age, who are capable of work and not required to attend school in accordance with the Asylum Seekers Benefits Act (AsylumLG). Excepted are asylum applicants from safe countries of origin together with tolerated persons and those who have been ordered to leave.
- Beneficiaries who are over 18 years of age, not required to attend school capable of work however, voluntary participation in an FIM is likewise possible.
- A single FIM lasts a maximum period of six months.
- FIM is a work opportunity. Participants receive an extra compensation of 80 cents per hour. Driving costs.
